Community Partnerships

Michael Grose Parenting Ideas
Seven great tips for raising kids today
1. Communicate your confidence in kids.
2. Never regularly do for kids the things they can do for themselves.
3. Discipline with firmness, kindness and certainty.
4. Teach kids to do what’s right, not what’s easy.
5. Teach kids manners from the earliest possible age.
7. Create opportunities for one-to-one time with kids.

School App: We have had feedback about ongoing issues with accessing information with our app. The makers of the app have assured me that they aim to rectify bugs as they arise. If you have an android smartphone, eg Samsung, use the built in menu at the bottom of the phone to gain access to the app menu.

School Website: To increase effective communication between school and home we are constantly updating the school website. If you would like something included on our website that isn't currently available please contact me.

Kindergarten Parent/Carer Survey: This survey will be closing soon. Please call if you are having trouble accessing the survey link which has been placed on the school website and app. Thank you to those parents who’ve taken the time to participate.

LNC Cross Country Canteen
A big THANK YOU to those who supported our school canteen operating at the LNC Cross Country last Friday. It was a huge success, with lots of purchases made and funds raised. We will let you know the total raised when that information is to hand.

We are catering again this Friday for the North Coast Cross Country. If you are able to help out, anytime from 8am, it would be very much appreciated.

We are having “prep afternoons” this Wednesday 4th June and Thursday 5th June from 2pm in the train. We will be preparing food for Friday's cross country event, such as cooking muffins, preparing salad, bagging snacks and organising raffle prizes etc. Please contact Gaye Duffy on 0427 625 156 or the school on 6563 1141 if you are able to help out in any way.

Donations of cakes and slices would also be appreciated, and can be left at school prior to Friday or at the Kempsey Race Course on the morning of the event.

Volunteers wanted for the kitchen garden program
Thank you to our wonderful volunteers who come in to support this unique and exciting program.

Some of the cooking classes do require more volunteer helpers, so please ask your friends, extended family or community members if they would like to help. If we don’t have enough helpers to operate in small groups, the classes won’t be able to run. For any new volunteers, please read the information below in regards to providing 100 points of identification.

Working with Children Check
The Department of Education now requires volunteers at schools to provide 100 points of identification prior to commencing volunteering. This is part of the change being introduced under the “Working With Children Checks”. Please see the office staff if you are a new volunteer at our school.
