Year 6 Dinner
10/12/15  BSG Rewards Day
11/12/15  Beach excursion K-6
16/12/15  Students last day at school

Environmental News
Recently teachers from Cascade Environmental Centre attended our school and educated the students about the new ReSourceful Schools Program. The program teaches students about the importance of responsible waste management and ways to prevent waste going into our oceans and rivers.

During the visit the Environment team were involved in conducting an audit of all the waste produced by the school in one day. The team collected the waste, sorted it into organics, recyclables and rubbish and then weighed it all. Of the 21kg of waste produced, 11kg was organic, 8kg was rubbish and just 2kg were recyclable - that's just in one day!

Photo: The Enviro team sorting rubbish
Since then the Environment Team has been working on introducing a recycling system for all the rubbish in the playground which we hope to roll out in the next few weeks.

North Coast Aboriginal Education Awards
On Friday at Westport Public School, two of our students were recognised at the North Coast Aboriginal Education Awards.

Teesha S received recognition for her Public Speaking. Teesha has proudly represented Aldavilla Primary School in the area of public speaking; she has been an integral part of our debating team (Premier's Debating Challenge and MECS, runner-up school). Teesha won the local final of the Multicultural Perspectives Public Speaking Competition and received a Highly Commended at the regional final in Coffs Harbour;

Serenity C received her Award for outstanding Achievements in sport. Serenity represented:
- The Lower North Coast PSSA at the North Coast Athletics Trials
- The Lower North Coast PSSA at the North Coast PSSA Cross Country
- The Lower North Coast PSSA at the North Coast Touch Football Trials
- The North Coast PSSA at State Girls Soccer Trials and The Macleay PSSA at the Lower North Coast PSSA Swimming Trials.

Community Partnerships

Swim and Survive
The following website has some useful resources as we move towards summer.
Swim and Survive is a swimming and water safety initiative of Royal Life Saving.

Playgroup
A group of pre-schoolers and their parents/carers enjoyed making scones in the train on Friday 30th October. Representatives from the Eat it 2 Beat it initiative of the Cancer Council gave an informative talk on healthy eating while the children ate their tasty scones. Thank you to Gaye Dufty for making this session a success.

The Cancer Council has a great website with resources and activities to encourage the very important message of healthy eating

School Banking
It is great to see our student banking numbers increasing. Please remember to fill out the deposit slip in your child’s book to make the process quick and easy for our volunteer co-ordinator.

Judy Wright
Community Partnership Officer

More Budget Tips:
Tip 1 - Pay your bills on time so you don't incur a late fee.

Tip 2 - Stop spending money on things you don't need. Take a bit more time to decide if you really need something before you hand over your hard-earned money.

Tip 3 - Think outside the square. Think about if you can make something cheaper at home and involve the kids too. Also, can you wait for it to come on special or buy a larger tub that will cost less and last longer.

Tip 4 - Be strict on your budget and be strong and keep yourself in check. Always know what money is going in and what money is going out. It's an empowering feeling seeing your bank balance slowly climb because you have been disciplined.

Tip 5 - Live within your means and never spend more money than we earn.

Kitchen Garden Wish List
If you are doing a belated spring clean in readiness for Christmas and come across any of the items listed below that you would like to donate to the kitchen, we would love to hear from you.

Wish list items include:
- Small electric hand mixer
- Rolling pins
- Measuring spoons
- Small digital scales
- Small to medium-sized glass bowls
- Pasta machine
- Sifters

Premiers Spelling Bee
On the 11th November, 2015, I am going to the State Final of the Premier's Spelling Bee in Sydney. I am excited, nervous and confident. My final word at the Regional Finals was eliciting. I am not hoping to win, just hoping to do my best. Maya Wicks

Remembrance Day Gold Coin Donation – 11/11/15
This year, as part of our Remembrance Day assembly, students are asked to bring in a gold coin donation to support the Camp Gallipoli Foundation. The Camp Gallipoli Foundation is raising money to help rebuild a dilapidated school in the village of Pozieres in France, where thousands of Australian troops died in fierce fighting in 1916.

This fundraising campaign mirrors one conducted in the 1920s when Victorian schoolchildren collected pennies to rebuild the shattered school in the village of Villers-Bretonneux, which Australian soldiers had liberated in 1918.

More information can be found at www.campgallipoli.com.au.

P&C News
Recently the P&C committee purchased a series of games and puzzles for each class.

This will provide an enjoyable variation for students in free time or structured play activities.
