Community Partnerships
School Shirts:
New stocks of shirts have arrived and are available for sale at the canteen between 9am and 1pm. Boys and girls shorts may be ordered with an approximate waiting time of 2 weeks. Students may also wear plain black shorts or pants purchased elsewhere. Uniform pricelists and order forms are available at the front office, canteen, school website and app.

Hats:
The P & C currently provide each Aldavilla student with a new school hat on enrolment. If these are lost or need replacing, new hats may be purchased through the canteen for $15.00. School hats are part of the school uniform and are required to be worn for daily outdoor activities including recess and lunch. Thank you for supporting our school uniform policy.

Aldavilla App:
The makers of our school app are currently adding new features and capabilities. We will be introducing these features on a rollout basis and will notify you when they are up and running. Please let me know if you are experiencing difficulty with the app so we can pass problems on to the makers.

Tip of the Week:
Creating a budget is important to be accountable for your spending.

That means sitting down with pen and paper or using a spreadsheet (a sample is on website: stayathomemum.com.au) on your computer to see what it looks like.

1. Write down your total take-home monthly income.
2. Write down your essential fixed expenses.
3. List your essential variable expenses eg; phone, food, etc.
4. List reasonable amounts for non-essential expenses.
5. Find the extras.
6. Figure out your totals and see where you can cut.
7. Work towards a goal and make your budget workable.
8. Follow your spending plan as closely as possible and treat yourself every so often.

The final two weeks of cooking will be Weeks 8 & 9 - there will no cooking in Week 10 or 11.

"Christmas Banquet" for 2015.  
As a thank you for all the wonderful volunteer work from all the mums, dads, grandparents, friends and relatives we will be having a Volunteers Luncheon. It is our time to wait on you. We have again had a wonderful time in the kitchen and garden this year and grown some delicious seasonal produce which has then been harvested and prepared into some delicious recipes by our very lucky students.

We have had over 125 volunteers again in 2015 which is quite an achievement so well done and thank you so much for helping us provide more opportunities for your children to learn.

Year 5 Parliament Elections
Students in Year 5 have been busily preparing and delivering their speeches for selection into school parliament next year. Students nominated themselves and when delivering their speech, outlined which position they would prefer.

Students in Years 4 and 5 will vote for 3 students that they think would be good parliamentarians. Teachers will also get a chance to vote, with their vote worth double that of the students. Students will be allocated a position depending on their choice outlined in their speech and the number of votes they receive. If you have any questions regarding the elections, please contact Miss Giorgi.
