Multicultural Perspectives Public Speaking Competition

The Multicultural Perspectives Public Speaking Competition was held at North Haven Public School on Tuesday 16th June. This state-wide competition aims to heighten the awareness of multicultural issues among NSW primary school students, while developing their public speaking skills. Contestants present both a prepared speech and an impromptu speech, with equal consideration given to both speeches by the adjudicator.

The prepared speech is on a multicultural theme. The impromptu speech is on a general theme and the topic is given to contestants five minutes beforehand! Two students from Stage 2 and 3 were selected to represent our school: Scelai T (Harmony Day), Maya W (Racism and Bullying), Olly U (Words Can Hurt) and Teesha S (Refugees). The students were amazing! Teesha S & Olly U are pictured above.

Maya received a Highly Commended award and Teesha was first in her division and will proceed to the Regional Final. Congratulations team!

Community Partnerships
Parenting Ideas by Michael Grose
It’s well documented that many children today don’t have the same freedoms and opportunities to freely interact with peers like children of previous generations. This means that many kids today miss valuable opportunities to develop their social sides, placing more onus on parents to develop children’s social skills than in previous generations. It can be hard to know how to go about it!

As a starter in this important process, here are three important strategies to help you develop children’s social skills:

1. Immersing kids in social-learning activities: Create an environment at home where kids learn essential friendship skills. For example, help kids learn to win gracefully and lose well through play age-appropriate games. Also, make sure kids have a variety of different social interactions where they sometimes feel uncomfortable or challenged to learn new skills.

2. Conscious modelling: Make sure the social behaviours you want your children to develop are on display! This is so important! Kids learn so many of their intimacy and friendship skills by observing admired role models in action. Want your child to learn about compromise and to give ground? Then it helps if he or she sees a parent (preferably of their gender, but not necessarily) give ground with them and other adults.

3. Explicit teaching: Sometimes your kids need to be taught how to speak, share, greet, win, lose, problem-solve, concede ground, keep confidences, ask for help, say no, be friendly and a hundred other personal skills that help them be social and sociable. Mum (and dad) - as coach is such a large part of modern parenting, particularly when they hit school, and again, but differently in adolescence.

These school holidays offer great opportunities to develop children’s all-important social skills by putting these three strategies into practice.

Parent/Carer Surveys:
Thank you to those parents and carers who have participated in our current surveys. Links can be found on our school website and app. Paper copies of the survey are also available in the foyer of the front office. Place completed surveys in envelopes provided and have your child return the envelope to their teacher. To ensure anonymity, no names or records of returned surveys will be kept. Please take this opportunity to have your say.

Parents of children in Years 1 -6 should complete the Parent/Carer Satisfaction Survey and Parents of Kindergarten children should complete the Transition to School Survey.

Macleay Soccer
Last Friday Aldavilla had two teams participate in the Macleay Soccer Knockout Gala Day at Eden Street. Both teams played very well and were involved in some exciting matches. The boys were unlucky in their first game, going down 5-3 in extra time against Kempsey West, but bounced back in their second game winning 8-0 against Smithtown. The girls were ecstatic after winning their first game 8-2 against Kempsey West and found it hard to come back to earth in their second game against SWR. Unfortunately they found themselves down 1 nil after the kickoff and with two handballs in the box they were soon down 3 nil. In the second half our girls rallied hard and had lots of opportunities to score but were unlucky and eventually went down 3-1.

Congratulations to Serenity on being the leading goal scorer for the day with 9 goals!

All of the students demonstrated great sportsmanship and represented our school proudly. Well done to all of the players on their fine performances and for the wonderful support they gave to each other.

APS Athletics Carnival
On Wednesday 10th June, the 2015 Aldavilla PS Athletics Carnival took place at Services Club Park, Kempsey. Students from K-6 participated in a range of competitive and novelty events. A great day was had by all.

Well done to Willi who were the 2015 house champions. The following students were 2015 age champions: Junior Boys: Tristan A, Junior Girls: Tanisha R, 11’s Boys: Jayden K, 11’s Girls: Emily M, Senior Boys: Bohdi P and Zac M (joint) and Senior Girls: Serenity C.

A big thank you to all the volunteers who helped out with time keeping and in the canteen during the day. The Macleay Athletics Carnival will take place on 24th July.

Debating News
The debating team won their debates with Toormina Public School and Norfolk Island Central School. Well done team!

Eisteddfod News
On Monday 15th June, five Aldavilla students participated in two of the Kempsey Eisteddfod’s public speaking sections, prepared and impromptu speaking. Teesha S, Olly U and Maya W presented prepared speeches.
Maya was awarded 1st place, Teesha 2nd place and Olly received a Highly Commended certificate.

The impromptu speaking competition required students to present a speech on a topic given just 3 minutes in advance. This year the topic was: My Town. Olivia P, Eve T, Olly U, Maya W and Teesha S all received awards – an outstanding achievement! They were: Olly 1st, Olivia 2nd, Maya 3rd, Eve and Teesha Highly Commended. Congratulations team!

Musica Viva Final Reminder –Performance Tomorrow

Musica Viva is on Wednesday 25th June. This is a great opportunity for children to appreciate a live musical performance. The cost is just $5 per student or $10 per family. Parents, carers and community members are welcome for free. The performance commences at 11:30am. We appreciate the support of the Equal Music Program which has enabled our school to keep costs at a minimum.

Our wonderful volunteers included: Kirk & Rebecca Supple, Mark & Edna Townsend, Meagan Sharrett and Tom Grenfell who helped set up, pack up and managed to cook up hundreds of yummy steaks, sausages and hamburgers on the BBQ. To Raquel Fuller and Tracey Perry who smashed out an amazing selection of wraps and sandwiches that looked and tasted amazing. Also to Keya Calhoun, Annalisa Field, Sharon Bowman, Karen Smedley and Madonna Stokes who spent hours helping to prepare pumpkin soup and veggie burger patties, baked many muffins and sliced 12kg of onions as well as preparing an array of sandwich and wrap fillings.

We are also most grateful to Kelly and Matt Smith who supplied all the quality steaks, sausages, roast chickens and hamburger patties at a discounted price to enable a bigger profit margin. To the Hughes family from Hot n Tasty who were most generous and loaned their pie oven for the day. A big thank you to Chris Manns (Mrs Mickle’s mum) who kept up with the demand for hot beverages throughout the day and ended up making over 300 cups of coffee, tea and milo. A delicious selection of cakes and slices were donated by Lindi Gill and her mum Val Bowen which were quickly snapped up by the many hungry competitors and spectators. Roast chickens were donated by Nat Weismantel and Matt Melicivic donated a box of lettuce yet again. Woolworths showed their support of our awesome kitchen garden program by donating fresh bread buns and hundreds of $$$ of groceries on top of their $50 per week donation for the regular cooking classes.

Last but not least to the band of ex Aldavillian students from Kempsey High School who put their hands up to help out again this year and did an amazing job. They included Kathleen B, Taylor P, Rachel P, Kamesha S, McKeely W and Kaitlyn H. It was a fantastic effort by all and just goes to show what can be achieved when volunteers rally together and work as a team.

School students and staff would like to take this opportunity to thank all parents, carers, family and friends who volunteer their time for cooking and gardening classes throughout the year. Volunteers are vital for this program to continue and allow us to bring pleasurable food education to participants in the kitchen garden program. So well done everyone and thank you, thank you, thank you!

If anyone has plates, bowls, etc from the train could they please return them at your earliest convenience. Thanks for all your wonderful support and hope to see you all at your respective cooking and gardening classes in Week 2 Term 3.
